Dear Ken:

On behalf of the Welland & District Humane Society and our Fundraising Team, I would like to express our heartfelt appreciation for the fantastic support shown to us by Federal Storage. Your kindness in providing the storage space for our large volume of auction items was outstanding. Support of individuals and businesses alike within our community enabled us to achieve a best ever financial result of \$25,000! We are thrilled, both with the outcome and the knowledge that many, many animals will be helped as a result.

We thank you most sincerely and wish you all the very best for a wonderful holiday season!!

Yours truly
